His latest Live 2008 CD, "**Born To Be Wilder**", captures the full flavor of Wilder's live performances. It went straight to the #1 position on the Roots Music Report's "Roots Rock" chart, ahead of

John Fogerty and Bruce Springsteen. www.rootsmusicreport.com

"There are roots rockers and then there's Webb Wilder. For over 20 years, Wilder has mined rock 'n' roll's most hallowed ground but unlike so many others he has approached it all with a rare irreverence and wit. Wilder's music has a sense of fun and imagination often lacking among his peers."

- Gibson Guitar Magazine -

"Webb flat out rocks. They serve up potent Southern comfort"

- Rolling Stone Magazine -

"Work hard, rock hard, eat hard, sleep hard, grow big, wear glasses if you need 'em."
